Young Tobin Narrowly Escapes Death in Building Where Father Met Fate.

Tireman John S. Tobin, of Engine 210 West Pifty-ninih street, just where his father, Capt John S. Tobin, of the some company, was killed in the sum-

o-day's fire was so threatening that Water Tumblers. New handthree afarms were sounded and the fire-men had to fight hard to keep the blaze from spreading. The building is a six-story structure. In the cellar is a bowl-

The first floor is occupied by the Schreiber Motor Company, the second by Donovan's danging pavilton and the apper floors by Dr. Savage's physical

Among the first pretien who came, in charge of Deputy Chief Callahan, many recalled the last fire in the building To-day's are looked as if it would be just as serious. It was on the third floor, but the flames were eating through the upper floors, and live sparks were dropping to the lower

of floors. The smake was suffocating.

If the Deputy Chief sent in a second and third alarm. Many of his men climbed the fire-escapes to get water of bridges for the New York Central on the blaze. Others ran into the build ling. Among the latter was young Tobin. Ha was on a statiway leading from the third to the fourth floor, hose which may result in an death.

The Deputy Chief sent in a second young and the latter was young of bridges for the New York Central express train, as he descended 5.000 feet from a balloon to the earth in a filmsy parachute, While the fourth floor, hose which may result in an death, and the property of the struggle.

CHICAGO. April 2.—Battling with adverse currents of air, which were blowing him directly in front of an illinois Central express train, as he descended 5.000 feet from a balloon to the earth in a filmsy parachute, While from the third to the fourth floor, hose which may result in an death, and the property of the struggle.

Tobin. He was on a stairway leading from the third to the fourth floor, hose in hand. With him were eight other men under Capt. McAuley, when the stair burned from under them and they

but when he revived he refused to go to a hospital and went back in the thick

Sizes 34 to 44, in a variety of new dark patterns; also men's 34 to 42 Tan Cov-48 chest,

MADE BY HELLER, ROTHSCHILD AND LANG, America's greatest Summer clothing specialists. From your standpoint these Suits, Top Coats and genuine Priestley Cravenette Raincoats at half price are absolutely perfect—equal to any you could buy at double the prices. The fact remains, however, that before they were completed the water pipes burst and they got wet. Didn't hurt them—all good clothing is sponged and shrunk, you know—but the owner of the factory building was obliged to take them off ne hands of the manufacturers, and we got them at half price. They were not finished, so Heller, Rothschild & Lang put their best tailors to work on them, and in the finishing process they so cleverly covered up all trace of the wetting by clear, cold water that they are now practically perfect, as the water could not
